ASHLEY DOUST

2nd Grade

My name is Ashley Doust and I am so excited to teach at Scholar Academy! I have my Bachelor's in Elementary Education and have known that I wanted to be a teacher since I was in elementary myself. I was born and raised in Salt Lake City and moved out to Stansbury Park with my husband 2 years ago and have loved every minute of it. I've been working with kids ever since I left high school. I've worked with kids from preschool through 6th grade and have such a passion for building a relationship with students and helping them learn the way that they learn best.

Outside of school, I love to hike with my dog, sing and be active!
