3rd Grade

Hello! It's so exciting to be a part of the Scholar Academy team! A little bit about me:

- I grew up all over the place, living in Kansas, Texas, Utah, and Colorado. I consider myself to be 'from' Denver.
- I graduated from BYU-Idaho in 2005 and did my student teaching in Las Vegas, NV.
- I taught third grade in Las Vegas for 9 years.
- My husband, Josh, and I moved to St. George, UT two years ago, and I stayed with the Clark County School District teaching third grade in Bunkerville, NV.
- I have two dogs (an Australian Shepherd - Leroy and a 3-legged poodle mix - Scooter) and two cats (black - Fidget and tabby - Bolo)
- I love to read, listen to music, play piano, watch Disney movies, go to the beach with my husband (ANY beach, it doesn't matter), and be crafty.
