Heidi Forsyth

4th Grade

Hello everyone! My name is Heidi Forsyth. I am so excited to be teaching 4th Grade at Scholar Academy. I love working with children and I cannot dream of a better career than teaching.

I grew up in Sandy, UT and graduated from Hillcrest High School in 1995. After I obtained my Associates Degree, I took some time off from school to be a wife and a mom. When my son started school in 2010, I decided that I wanted to go back so that I could teach. I earned my Bachelor's Degree in 2012 and graduated with high honors (Summa Cum Laude). Since then, I have worked as a Math specialist, Kindergarten teacher, a reading tutor, as well as a Title I Coordinator.

Teaching is my passion and I believe in making learning an exciting and positive process. After all, "Teachers, who love teaching, teach children to love learning". I cannot wait to meet all of my new students and their families during my second year teaching at Scholar Academy. Together we will have a fabulous year!
