6th Grade

2025-2026

Hello! My name is Janine Christensen and I am thrilled to be your teacher this year! I cannot wait to meet you all. Let us begin a new adventure together as you learn and accomplish great things. I have very high expectations and I know that with hard work, effort, and willingness, you can ALL be successful. I am glad to be in your corner this year and help you on your journey to greatness.

For me, teaching sixth grade has been a blast. I taught in Grantsville for four years, Stansbury Park for three years and have been at Scholar Academy since 2015. I have never been so proud to be a part of a learning community before Scholar! "Achieving excellence together!" It is critical that you all have a supportive team working with you all year long, so I like to stay in close communication with you and your family. Please make sure you are familiar with the class website, as you will find many, many useful resources for you and your family to use.
