My name is Kat Bischoff (Ms. Kat) and I teach kindergarten at Scholar Academy. I got my degree in Elementary Education from the University of Utah. I have an ESL Endorsement and an Elementary Arts Integration Endorsement. I am currently working on my Educational Technology Endorsement. Before teaching kindergarten at Scholar, I was a kindergarten TA at Parkview Elementary in Salt Lake City for 7 years. I love kindergarten and I am passionate about the arts. My husband is an urban farmer and I have a daughter who is graduating high school in 2017. In my free time, I love to crochet and read. I love working at Scholar Academy!
