Kindergarten

Teacher

I was born in Colorado and raised in central California. I am the youngest of three girls. I graduated from High School in 1993. I attended CSUS (California State University Stanislaus) for one year. I married my husband in 1994 and transferred to Rick's college. We finished our degrees at SUU (Southern Utah University). I received my BA with a minor in Spanish and a concentration in early child-hood development in 1999. I am certified by the state of Utah to teach Kindergarten through eighth grade. I have since received my ESL endorsement from Utah State University.

My first daughter was born in 1999. I also taught my first year of Kindergarten in 1999 at Grantsville Elementary. I took some time off and had a son and another daughter. I have taught at Harris Elementary, Willow Elementary, and Copper Canyon Elementary. I have always taught Kindergarten.

I enjoy being with my family and being outdoors. My hobbies are horseback riding and competing, gardening, singing with my daughter, scrapbooking, hiking, and camping. I am excited to teach kindergarten at Scholar Academy this fall.
