Now for a year for

I was born and raised in Tooele Utah and have 9 children (the youngest just starting college) and 10 grandchildren. When my children were young, I was a stay at home mom and ran a daycare from my home for about 8 years. In 2002, I obtained a Real Estate license. One year ago I went back to school and earned a Broker's license and now run my own successful brokerage. Being in the real estate business, has afforded me the opportunity to meeting many new people who are moving into Tooele County. I have found that most of the new people moving here are very concerned with the quality of education that is available in the area for their children and the academic performances of each school. It is very exciting to tell my clients about Scholar Academy and the wonderful opportunities awaiting them!
