# 2nd Grade

Teacher

Hello! My name is Traelle Gailey. I have been teaching since 2005 and during that time I have taught second grade, and fifth grade. I have taught at a charter school my whole teaching career and truly believe in the missions of charter schools. I grew up in Reno, Nevada and moved to Utah in 1997. I graduated from Bonneville High in 1999, and subsequently graduated from Weber State University in 2005 with a Bachelors. I then received a Master's in Education from the University of Phoenix, as well as an administrative and principal licensure. I have been actively engaged in learning as much as I can in the education realm. I have attended numerous trainings; such as; Love and Logic, Singapore Math, Core Academy, Step up to Writing, and My Math to name a few. My husband and I have been married for 10 years and together we have 5 children. Some of my hobbies include; cooking, gardening, reading, camping, and hiking. I also love spending time with my family, both immediate and extended. I love teaching! It is a passion of mine and I don't believe there is any other job I would love more than being in a school, and making a difference. I am excited each year to meet new students and parents and work to make learning engaging and fun!
