

SCHOLAR ACADEMY

ACHIEVING EXCELLENCE TOGETHER

Scholar Academy
Policy: Attendance Policy
Adopted: November 17, 2015

POLICY

Scholar Academy (the "School") is committed to providing a quality education for every student. The School firmly believes that consistent attendance teaches students responsibility. Students learn the value of being punctual and prepared. Frequent absences result in a loss of continuity of instruction. Also, frequent absences and tardiness prove disruptive for students, teachers, and staff. Excessive unexcused absences may lead to a student's permanent dismissal from the School.

Parents are expected to take a proactive role in ensuring their children attend school. We recommend families plan their vacation schedule around the existing School calendar. When possible, medical and dental appointments should take place outside of school hours and parents should notify the School in advance of any absence. Parents and students are responsible for obtaining homework or assignments for the time period which the student is absent.

The School intends for this policy to be consistent with the provisions of Utah's compulsory attendance laws, Utah Code Ann. §§ 53A-11-101 through 53A-11-105. The School will seek to accurately monitor and record attendance information, annually review attendance data, and consider revisions to the attendance policy and procedures to encourage student attendance.

Students who are absent more than 15 days will be submitted to the Case Management Team (CMT) for review. The CMT may require the parent/guardian to complete an Attendance Improvement Plan and meet with the team quarterly. A student with 25 or more absences will be considered for possible retention by the Case Management Team due to gaps in academic achievement caused by the student's absences from school.

The Principal will establish attendance procedures consistent with this policy and applicable law and will ensure that the policy and procedures are distributed to parents.
