

Scholar Academy
Policy: Bullying & Hazing Policy
Adopted: May 31, 2017

POLICY

The purpose of this policy is to prohibit bullying, cyber-bullying, hazing, and intimidation of Scholar Academy (the "School") students and employees, as well as abusive conduct directed toward School employees. The School's Board of Directors (the "Board") has determined that a safe, civil environment in School is necessary for students to learn and achieve high academic standards and that conduct constituting bullying, cyber-bullying, hazing, abusive conduct, and intimidation disrupts both a student's ability to learn and the School's ability to educate its students in a safe environment. Bullying, cyber-bullying, and hazing of students and employees are against federal, state and local policy and are not tolerated by the School. The School is committed to providing all students with a safe and civil environment in which all members of the School community are treated with dignity and respect. To that end, the School has in place policies, procedures, and practices that are designed to reduce and eliminate bullying, cyber-bullying, abusive conduct, and hazing—including but not limited to civil rights violations—as well as processes and procedures to deal with such incidents. Bullying, cyber-bullying, hazing, and intimidation of students and/or employees by students and/or employees will not be tolerated in the School. Likewise, abusive conduct by students or parents against School employees is prohibited by the School and will not be tolerated in the School.

In order to promote a safe, civil learning environment, the School prohibits all forms of bullying of students and School employees (a) on School property, (b) at a School-related or sponsored event, or (c) while the student or School employee is traveling to or from School property or a School-related or sponsored event.

The School prohibits all forms of hazing or cyber-bullying of or retaliation against students and School employees at any time and any location.

Students and School employees are prohibited from retaliating against any student, School employee or an investigator for, or witness of, an alleged incident of bullying, cyber-bullying, hazing, abusive conduct, or retaliation.

Students and School employees are prohibited from making false allegations of bullying, cyber-bullying, hazing, abusive conduct, or retaliation against a student or School employees.

In addition, School employees, coaches, sponsors and volunteers shall not permit, condone or tolerate any form of hazing, bullying, or abusive conduct and shall not plan, direct, encourage, assist, engage or participate in any activity that involves hazing, bullying, or abusive conduct.

Any bullying, cyber-bullying, hazing, abusive conduct, or retaliation that is found to be targeted at a federally protected class is further prohibited under federal anti-discrimination laws and is subject to OCR compliance regulations.

Definitions

Abusive Conduct – For purposes of this policy, “abusive conduct” means verbal, nonverbal, or physical conduct of a parent or student directed toward a School employee that, based on its severity, nature, and frequency of occurrence, a reasonable person would determine is intended to cause intimidation, humiliation, or unwarranted distress. A single act does not constitute abusive conduct.

Bullying -- For purposes of this policy, "bullying" means a School employee or student intentionally committing a written, verbal, or physical act against a School employee or student that a reasonable person under the circumstances should know or reasonably foresee will have the effect of:

- (1) causing physical or emotional harm to the School employee or student;
- (2) causing damage to the School employee’s or student’s property;
- (3) placing the School employee or student in reasonable fear of:
 - (a) harm to the School employee’s or student’s physical or emotional well-being; or
 - (b) damage to the School employee’s or student’s property;
- (4) creating a hostile, threatening, humiliating, or abusive educational environment due to:
 - (a) the pervasiveness, persistence, or severity of the actions; or
 - (b) a power differential between the bully and the target; or
- (5) substantially interfering with a student having a safe school environment that is necessary to facilitate educational performance, opportunities, or benefits.

This conduct constitutes bullying, regardless of whether the person against whom the conduct is committed directed, consented to, or acquiesced in, the conduct. In addition, bullying is commonly understood as aggressive behavior that is intended to cause distress and harm; exists in a relationship in which there is an imbalance of power and strength; and is repeated over time.

Civil Rights Violations – For purposes of this policy, “civil rights violations” means bullying, including cyber-bullying, abusive conduct, or hazing that is targeted at a federally protected class.

Cyber-bullying -- For purposes of this policy, "cyber-bullying" means using the Internet, a cell phone, or another device to send or post text, video, or an image with the intent or knowledge, or with reckless disregard, that the text, video, or image will hurt, embarrass, or threaten an individual, regardless of whether the individual directed, consented to, or acquiesced in the conduct, or voluntarily accessed the electronic communication.

Federally protected class – For purposes of this policy, “federally protected class” means any group protected from discrimination under federal law.

- (1) Title VI of the Civil Rights Act of 1964 prohibits discrimination on the basis of race, color, or national origin.

(2) Title IX of the Education Amendments of 1972 prohibits discrimination on the basis of sex.

(3) Section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act of 1990 prohibits discrimination on the basis of disability.

(4) Other areas included under these acts include religion, gender, and sexual orientation.

Hazing -- For purposes of this policy, "hazing" means a School employee or student intentionally, knowingly, or recklessly committing an act or causing another individual to commit an act toward a School employee or student that:

(1) (a) endangers the mental or physical health or safety of a School employee or student;

(b) involves any brutality of a physical nature, including whipping, beating, branding, calisthenics, bruising, electric shocking, placing of a harmful substance on the body, or exposure to the elements;

(c) involves consumption of any food, alcoholic product, drug, or other substance or other physical activity that endangers the mental or physical health and safety of a School employee or student; or

(d) involves any activity that would subject a School employee or student to extreme mental stress, such as sleep deprivation, extended isolation from social contact, or conduct that subjects a School employee or student to extreme embarrassment, shame, or humiliation; and

(2) (a)(i) is committed for the purpose of initiation into, admission into, affiliation with, holding office in, or as a condition for membership in a School or School sponsored team, organization, program, club, or event; or

(ii) is directed toward a School employee or student whom the individual who commits the act knows, at the time the act is committed, is a member of, or candidate for membership in, a School or School sponsored team, organization, program, club, or event in which the individual who commits the act also participates.

(3) The conduct described above constitutes hazing, regardless of whether the School employee or student against whom the conduct is committed directed, consented to, or acquiesced in, the conduct.

Retaliate or Retaliation -- For purposes of this policy, "retaliate or retaliation" means an act or communication intended:

(1) as retribution against a person for reporting bullying or hazing; or

(2) to improperly influence the investigation of, or the response to, a report of bullying or hazing.

School Employee -- For purposes of this policy, "School employee" means an individual working in the individual's official capacity as:

(1) a School teacher;

- (2) a School staff member;
- (3) a School administrator; or
- (4) an individual:
 - (a) who is employed, directly or indirectly, by the School; and
 - (b) who works on the School's campus(es).

Reporting and Investigation

Students who have been subjected to or witnessed hazing, bullying, cyber-bullying, or retaliation, and students who have witnessed abusive conduct, must promptly report such incidents to any School personnel orally or in writing.

School employees who have been subjected to or witnessed hazing, bullying, cyber-bullying, abusive conduct, or retaliation must report such incidents to the School's Principal orally or in writing.

Each report of prohibited conduct shall include: name of complaining party; name of victim of prohibited conduct (if different than complaining party); name of offender (if known); date and location of incident(s); and a statement describing the incident(s), including names of witnesses (if known). In connection with a report of prohibited conduct, students and School employees may request that their identity be kept anonymous, and reasonable steps shall be taken by the Principal and others involved in the reporting and investigation to maintain the anonymity of such individuals, if possible. School employees will take strong responsive action to prevent retaliation, including assisting students who are victims of prohibited conduct and his or her parents or guardians in reporting subsequent problems and new incidents.

The Principal or designee shall promptly make a reasonably thorough investigation of all complaints of prohibited conduct, including, to the extent possible, anonymous reports, and shall, in accordance with the Consequences of Prohibited Behavior section below, administer appropriate discipline to all individuals who violate this policy. Formal disciplinary action is prohibited based solely on an anonymous report.

The Principal may report to law enforcement all acts of bullying, cyber-bullying, hazing, abusive conduct, or retaliation that constitute suspected criminal activity.

The Principal may report to OCR all acts of bullying, hazing, cyber-bullying, abusive conduct, or retaliation that may be violations of student(s)' or employee(s)' civil rights.

It is the School's policy, in compliance with state and federal law, that students have a limited expectation of privacy on the School's computer equipment and network system, and routine monitoring or maintenance may lead to discovery that a user has violated School policy or law. Also, individual targeted searches will be conducted if there is reasonable suspicion that a user has violated policy or law. Personal electronic devices of any student suspected of violation of this policy will be confiscated for investigation and may be turned over to law enforcement.

Parental Notification

The Principal or designee will timely notify a student's parent or guardian (a) if the student threatens to commit suicide or (b) of any incidence of bullying, cyber-bullying, hazing, abusive conduct, or retaliation involving the student. The Principal or designee will attempt to contact the parent or guardian by telephone or schedule an in-person meeting with them to discuss these matters. In the event the Principal or designee is not able to meet in person or discuss via telephone, the Principal or designee will send a letter to the parent or guardian providing the required notification.

The Principal or designee will produce and maintain a record that verifies that the parent or guardian was notified. If an in-person meeting takes place, the Principal or designee will ask the parent or guardian to sign a form acknowledging that the notification was provided. If a telephone conversation takes place, the Principal or designee will document the date and time of the telephone call, who was spoken to, and brief notes regarding the notification that was provided and the content of the conversation. If a letter is sent, the Principal or designee will retain a copy of the letter along with a note regarding when it was mailed. The School will retain the record as long as the student is enrolled at the School and destroy the record after that time. The School will maintain the confidentiality of the record in accordance with Utah Code 53A-11a-203(3).

Student Assessment

The Principal or designee will solicit student assessments of the prevalence of bullying, cyber-bullying, and hazing in the School, specifically locations where students are unsafe and additional adult supervision may be required, such as playgrounds, hallways, and lunch areas.

Consequences of Prohibited Behavior

School officials have the authority to discipline students for off-campus speech that causes or threatens a substantial disruption on campus, including School activities, violent altercations, or a significant interference with a student's educational performance and involvement in School activities.

If, after an investigation, a student is found to be in violation of this policy by participating in or encouraging conduct prohibited by this policy, the student shall be disciplined by appropriate measures up to, and including, suspension and expulsion, pursuant to Utah Code Ann. 53A-11-904, removal from participation in School activities, and/or discipline in accordance with regulations of the U.S. Department of Education Office for Civil Rights (OCR).

If, after an investigation, a School employee is found to be in violation of this policy, the employee shall be disciplined by appropriate measures, which may include termination, reassignment or other appropriate action.

Grievance Process for School Employees

As explained above, a School employee who has experienced abusive conduct must report the incident to the School Principal orally or in writing. If the School employee is not satisfied with the Principal's or designee's investigation of the abusive conduct and/or the resulting disciplinary action (or recommended disciplinary action) against the perpetrator, the School employee may address/raise the issue in accordance with the School's Staff Grievance Policy.

Additional Provisions

The Principal will ensure compliance with OCR regulations when civil rights violations are reported, as follows:

(1) Once the School knows or reasonably should know of possible student-on-student bullying, cyber-bullying, or hazing, the School must take immediate and appropriate action to investigate.

(2) If it is determined that the bullying, cyber-bullying, or hazing did occur as a result of the student-victim's membership in a protected class, the School shall take prompt and effective steps reasonably calculated to:

- (a) end the bullying, cyber-bullying, or hazing
- (b) eliminate any hostile environment, and
- (c) prevent its recurrence.

(3) These duties are the School's responsibilities even if the misconduct is also covered by a separate anti-bullying policy and regardless of whether the student makes a complaint, asks the School to take action, or identifies the bullying, cyber-bullying, or hazing as a form of discrimination.

The Principal will take reasonable steps to ensure that any victim of prohibited conduct will be protected from further hazing, bullying, cyber-bullying, abusive conduct, and retaliation and that any student or School employee who reports such incidents will be protected from retaliation.

If the Principal believes that any victim or perpetrator of conduct prohibited by this policy would benefit from counseling, the Principal may refer such individuals for counseling.

To the extent allowable under applicable privacy laws, the Principal may inform the parents or guardians of a student who is a victim of conduct prohibited by this policy of the actions taken against the perpetrator of such conduct.

If the Principal believes that it would be in the best interests of the individuals involved, the Principal may involve the parents or guardians of a perpetrator or victim of hazing, bullying or retaliation in the process of responding to and resolving conduct prohibited by this policy.

Distribution of Policy and Signed Acknowledgement

The Principal will inform students, parents or guardians, School employees and volunteers that hazing, bullying, cyber-bullying, abusive conduct, and retaliation are prohibited and will distribute a copy of this policy to such individuals. A copy of this policy will also be included in any student conduct or employee handbooks issued by the School. On an annual basis, School employees, students who are at least eight years old, and parents or guardians of students shall sign a statement indicating that they have received this policy.

Training

The Principal will ensure that School employees receive periodic training from individuals qualified to provide such training regarding bullying, cyber-bullying, hazing, abusive conduct, and retaliation, including training on civil rights violations and compliance when civil rights violations are reported. The training shall meet the standards established by the State Board of Education's rules.

To the extent possible, programs or initiatives designed to provide training and education regarding the prevention of bullying, hazing, abusive conduct, and retaliation will be implemented.

The training provided under this policy will address issues such as:

(1) overt aggression that may include physical fighting such as punching, shoving, kicking, and verbal threatening behavior, such as name calling, or both physical and verbal aggression or threatening behavior;

(2) relational aggression or indirect, covert, or social aggression, including rumor spreading, intimidation, enlisting a friend to assault a child, and social isolation;

(3) sexual aggression or acts of a sexual nature or with sexual overtones;

(4) cyber-bullying, including use of email, web pages, text messaging, instant messaging, three-way calling or messaging or any other electronic means for aggression inside or outside of school; and

(5) civil rights violations, appropriate reporting and investigative procedures. This includes bullying, cyber-bullying, hazing, and abusive conduct based upon the students' actual or perceived identities and conformance or failure to conform with stereotypes.

The training provided under this policy should also include awareness and intervention skills such as social skills training for students and staff, including aides, custodians, kitchen and lunchroom workers, secretaries, paraprofessionals, and coaches.

The training provided under this policy should complement the suicide prevention program required for students under R277-620 and the suicide prevention training required for licensed educators consistent with Section 53A-1-603(10).

In addition to training for all students and School employees, students, employees, and volunteer coaches involved in any athletic or other extra-curricular activity shall:

(1) participate in bullying, cyber-bullying, and hazing prevention training prior to participation;

(2) repeat bullying, cyber-bullying, and hazing prevention training at least every three years; and

(3) be informed annually of the prohibited activities list provided previously in this policy and the potential consequences for violation of this policy.

The Principal will ensure that training curriculum, schedules, and participant lists or signatures are maintained by the School and provided to the Utah State Board of Education upon request.
