Achieving Excellence Together

September 13, 2017

After School Program

Scholar Academy is very excited to participate this year in Health and Wellness activities.

Here is a description of our two projects supported by grants from the Tooele County Health Department.

Project 1. Before school walk

Beginning November 1st- March 19th, Scholar students will be invited to come walk from 8:00-8:20 a.m. every day. The grant will pay the supervisor and buy the I Love Walking stickers. Our theme will be Wake up with Walking! We hope to walk the field, the halls, with fun music on a daily basis. I will encourage staff to join us when they can. This will occur during the colder months when kids are less active outdoors.

Wake up with Walking!
Happy kids!

Scholar Academy Healthy,

Project 2. Tuesday after School - Let's Stay Fit!

During term two and three, Porsche Christensen will offer after school physical activities on Tuesday for 1 hour. The grant will cover the cost of the instructor. Mrs. Christensen will ask Scholar students what activities they would like and offer a variety of activities over the 14 week sessions.
