

Scholar Academy's 1st Grade Holiday Toy Drive

In support of The Tooele Children's Justice Center

The holidays are filled with happiness, friends, and family! Children especially look forward to the fun and presents. In the spirit of the giving season, the Tooele Children's Justice Center is in need of gently used toys, hot chocolate, and candy canes to help deliver joy to children this holiday season!

During the month of December, as you are clearing out your gently used toys to make room for new ones, please consider assisting our toy drive to help our local children have a Merry Christmas!

We wish peace, joy, and love to you and yours this holiday season,

The First Grade

Toy Drive Information
