

## **Summary of Parent and Student Reunification Plan**

In the event of an emergency evacuation of Scholar Academy, parents will be notified and the school will follow its parent and student reunification plan. If it is safe to do so, students and staff will be evacuated to designated reunion points on school grounds. If it is not safe to stay on school grounds, the primary relocation center for students and staff after an evacuation of the school building is Middle Canyon Elementary School located nearby at 751 East 1000 in Tooele, Utah.

In order to reunite with your student and have him/her released to you after an emergency evacuation, you will be required to fill out a Student Release Form and show proper identification.
