

Ms Rawlins- Lists

Dear Parents,

There are not any traditional school supplies your child will need for my class. In place of that I am asking you to donate specific items for labs and projects when you can throughout the school year.

Because of virus restrictions many of my projects will go from group to individual. That means I will need more supplies. This and my personal website will be updated every month.

Clorox wipes
hand sanitizer
tissues

\$5.00 donations for Minecraft Education accounts during the first week of school. (All students will have their own account that can be used at school and at home throughout the year.)

Lab & Project supply donations for August and September

August Lab Moon phases (needed by August 27th)

Individual bags of mini Oreos

September Lab Solar System and seasons Model (needed by September 18th)

Styrofoam balls, straws, rubber bands, plastic cups, scotch tape, washable paint, cardboard,
toilet paper rolls
